

ARTOURS

GUIDED ARTours

During guided tours, students learn about the artwork in the current exhibit, how to look at art, and how to read exhibit labeling. Tours are focused on a theme that is well demonstrated in select pieces of art from the exhibit. We suggest 30 minutes for a guided tour. Guided tours are \$2 per student.

ARTours WITH A LESSON

In addition to a guided tour of the exhibit, students can take part in a post-tour art lesson in the museum's classroom. The art lesson reinforces the theme explored in the tour and gives students a hands-on opportunity to use this theme in the creation of their own work. The guided tour with an art lesson is approximately 70 minutes and costs \$3 per student for school groups with a minimum price of \$45. All tours must be scheduled a minimum of **two weeks in advance**. Scholarships are available.

To schedule a tour, please complete the Tour Request Form and email it to our Education Assistant, Jesslyn Low at artworks@theartmuseum.org. If you have questions about ARTours, contact Emily Wunderlich at ewunderlich@theartmuseum.org.

2024-25 ARTours EXHIBITS & LESSONS

AUGUST 3 - OCTOBER 26, 2024

ARTidaho

ARTidaho features professional Idaho Artists expressing themselves through a variety of mediums focused on the uniqueness and beauty of Idaho.

ALSO FEATURING

AUGUST 3 - SEPTEMBER 14, 2024

KELLY SHERIDAN & BINGHAM ARTS COUNCIL

SEPTEMBER 17 - OCTOBER 26, 2024

RUSSELL CASE & GALLERY 12

LESSON PLAN

Using the book, *Along a Long Road*, will help students explore different ways to portray landscapes. This project will help students express their own views of landscapes through paper sculpting and collage.

CURRICULUM CONNECTIONS: SOCIAL STUDIES & MATH

NOVEMBER 14, 2024 - JANUARY 18, 2025

CONSTRUCT

Construct: Artwork from Dustin Thompson and David Jones explores mixed media works and ceramics.

ALSO FEATURING

ARTMART

NEW ACQUISITIONS TO TAM'S PERMANENT COLLECTION

LESSON PLAN

Young artists will tour the exhibit *Construct*, featuring a wide variety of ceramic and mixed media art pieces. Students will discuss the art methods and meanings behind the pieces. The book, *A Life Made by Hand*, will introduce the students to artist, Ruth Asawa who created large scale wire sculptures by using techniques she learned while living in an internment class during World War II. This project will help students use natural materials to construct an image on a board that represents their strengths.
