

# ARTOURS

## GUIDED ARTours

During guided tours, students learn about the artwork in the current exhibit, how to look at art, and how to read exhibit labeling. Tours are focused on a theme that is well demonstrated in select pieces of art from the exhibit. We suggest 30 minutes for a guided tour. Guided tours are \$2 per student.

## ARTours WITH A LESSON

In addition to a guided tour of the exhibit, students can take part in a post-tour art lesson in the museum's classroom. The art lesson reinforces the theme explored in the tour and gives students a hands-on opportunity to use this theme in the creation of their own work. The guided tour with an art lesson is approximately 60 minutes and costs \$3 per student for school groups with a minimum price of \$45. All tours must be scheduled a minimum of **two weeks in advance**. Scholarships are available.

To schedule a tour, please complete the Tour Request Form and email it to our Education Curator, Carina Rocco. If you have questions about ARTours, contact Carina Rocco at [artworks@theartmuseum.org](mailto:artworks@theartmuseum.org).
